With a fully licensed bar, in-house catering, and a dedicated events team, we are committed to delivering exceptional service and creating unforgettable experiences for our guests.

THE HISTORY

Now commonly known as The Oakham Suite, the building is still an upstanding Masonic Hall based in Mansfield, and stands as a significant landmark in the town's history. Established in 1936, the hall has been a central meeting place for various Masonic lodges and chapters and still continues to be a popular meeting point today. Beyond its role as a meeting place for Freemasons, the hall has served the broader community, reflecting the Masonic values of charity and fellowship. Due to the continuous hub for Freemasons, it gives us the opportunity to share the Grand Temple with the community and offer the room as the perfect Civil Ceremony for couples wishing to say their vows under one roof.
